

TOUCH A TRUCK JACKSON®

CALL FOR EXHIBITORS!

Touch A Truck® Jackson is looking for a variety of exhibitors for the upcoming community-wide event at Trustmark Park on March 22-23, 2024.

- LARGE TRUCKS
- HEAVY MACHINERY
- FARM EQUIPMENT
- PUBLIC SERVICE & EMERGENCY VEHICLES
- MOTORCYCLES
- HELICOPTERS
- AND MORE!

Celebrating its 11th year, Touch A Truck® Jackson is a family-friendly, hands-on event that offers opportunities for children to EXPLORE, CLIMB, and TOUCH trucks, emergency response vehicles, heavy machinery, and other equipment. Children also get to meet the personnel who protect, serve, and build our community. Learning comes alive when children connect these gigantic vehicles to our Mississippi economy and to potential careers in industries like farming, manufacturing, and construction. Touch A Truck® Jackson is a community project and fund development business of the Junior League of Jackson.
